

CABERNET SAUVIGNON
RUTHERFORD, NAPA VALLEY
2024

EARTHWORK

THE VINEYARD We sourced Cabernet Sauvignon Clone 337 grapes from the renowned Vineyard Georges III in Rutherford for a main component of this wine. Soils are primarily sandy loam, with a fair amount of rock from the old creek bed that runs through the blocks. This Beckstoffer Heritage vineyard is the former Beaulieu Vineyard No. 3, which was originally planted by Georges de Latour of Beaulieu in 1928. The property is located adjacent to the Caymus Winery between Conn Creek Road and Silverado Trail.

WINEMAKER NOTES The 2024 Napa Valley growing season was warm, steady and consistent throughout the growing season. In winter, Napa received 10% more precipitation than usual, allowing the vines to prosper in the warm days throughout the summer and early autumn. The resulting wines are plush, generous and sophisticated. The wine possesses robust flavors and rich layers of texture with the vintage offering even greater complexity in the finished wine. It is a wine you can savor over time as it evolves in glass. The classic Rutherford Dust profile shines in the wine's layers of dark cherry, blackberry, earth and mocha flavors.

FERMENTATION & BOTTLING
